# A PERSONAL STORY

**WHY WOMEN ARE SO BAD AT LANDSCAPE PHOTOGRAPHY?**

2. October 2017 Hajnalka Berenyi-Gas HOME 1 Comment 52k

Women are awful at landscape photography. Capturing, editing, and showcasing astounding landscape photos, making YouTube tutorials about shooting and post-processing is a man's craft. Or is it?

# WHAT IF?

- ... das Selbstvertrauen steigert?
- ... verbessert die Schreibkompetenzen?
- ... motiviert SchülerInnen durch Interaktion?
- ... verbessert die Sprachkenntnisse?

# CHALLENGE ACCEPTED

# THE BLOG - HTAGOESREAL

**A priceless experience: Winning the prize**

It seems many of you out there took liking to our our class blog, even the jury of the Media Literacy Award. So much so that we won a prize for the project. Amazing. That's all we can say. Thus,...

## Creative Commons reloaded: More attribution help

After a long explanation on why and how we should attribute Flickr images on our blog, here is a hands-on attribution helper. Cogdog created a bookmarklet generator, accessible on CogDog website. To access the bookletmarklet, click the previous link or copy-paste...

# TAGS AND CATEGORIES

## Why categories are important on our blog

With each challenge you've received a list of categories and tags. While it's probably clear why we tag posts, the fact that we need categories too might be somewhat confusing. This post should help you understand why you need to...
