

Ses bloğu

1. Ses dosyası çalıştır

The screenshot shows the Sound block interface. At the top, there is a text field for the file name, a volume slider set to 100, and a flag icon. Below these are three buttons: 'Stop', 'Play File', and 'Play Tone'. A dropdown menu is open, showing 'Play File' (highlighted in blue), 'Play Tone', and 'Play Note'. Below the buttons are three checkboxes: '0' (checked), '1', and '2'. Arrows point from the text labels to the corresponding UI elements.

0 | ☒ Sonuna kadar çal

1 | ☐ Bir kere çal

2 | ☐ Sürekli tekrar et

2. Bir nota çal

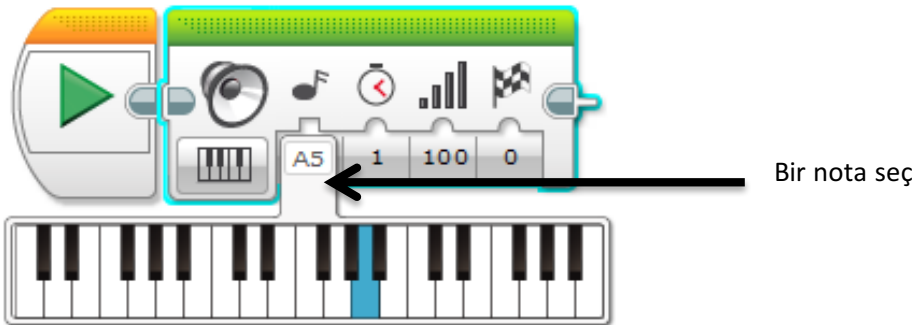

The screenshot shows the Sound block interface with the 'Play Tone' button selected. The frequency field is set to 440 Hz. Below the frequency field is a list of notes and their frequencies: C (261.63), C# (277.18), D (293.67), D# (311.13), E (329.63), and F (349.23). Arrows point from the text labels to the corresponding UI elements.
